Dear Parents,

Cyber Safety Presentation – Tuesday 6 February, 7pm

Safer Internet Day 2018 will be celebrated globally on Tuesday 6 February and as part of our on-going internet safety teaching, the children will be thinking about 'Create, Connect and Share Respect: A better internet starts with you'.

On the same day, we'll also be holding a Cyber Safety information and advice evening for parents in the school hall from 7-8pm, presented by Lucy Dibdin, Cyber Security & Protect Officer with the Digital Investigations & Intelligence Team at Hampshire Constabulary.

Cyber safety is a such an important subject that we hope that you'll be able to come along and hear up-to-date information and advice about how you can help your child to enjoy the internet at a level appropriate to their age but also be aware of the potential risks.

Due to the nature of the discussion, this event is only for adults. Please complete and return the attached reply slip or visit <http://www.kingsworthy.hants.sch.uk/form/default.asp?pid=5&form=54&action=saved> to complete the online form on our website at if you'd like to attend.

We look forward to seeing you on 6 February.

Yours sincerely,

Lynne Keeble
ICT Coordinator
