Finance and Administration Manager: Lynn Paul BSc ACA

4th October 2017

Dear Parents and Carers

Walktober is back for another year and My Journey is asking children and their parents to walk, scoot or cycle to school whilst also raising awareness of air quality by **“Walking away from pollution”**.

To encourage you and your children to get involved, we are running a competition which involves taking a picture of Basil or Babs bird on your walk to school. All your child needs to do is colour Basil or Babs in, tape them to an ice lolly stick, twig or pencil and take a picture of him breathing in clear air on the walk to school. To help explain this better we have created cartoon for your children to show them exactly what they need to do to get their perfect snap.

Once you have your chosen photo, send it in to schooltravelplans@hants.gov.uk with the following details;

- **Child's name**
- **Parent's name school name**
- **Child's age,**
- **Child's class name/number**
- **Preferred contact details**

by **Friday 3rd November**. The three most original photos will win a voucher for a family day out in Hampshire and a mini Basil or Babs bird for their school.

So get involved and breathe in fresher air on your walk to school this October.
