

FS & KS1 Sports Day Races 2018

Welcome to our annual sports day races! We love having you here to share this sporting event. This year the races will be held on **Wednesday 6th June, starting at 9.15am and finishing at approximately 11.15.**

The children will be sat in class groups on the hedge side of the track. We ask that parents remain on the opposite side, where the picnic benches are. This is to ensure that we know where the children are at all times and to help us maintain site security. KS2 children may come out to support the children during the morning

We would also appreciate it if the end of the track was clear to allow the children to run through safely – some of our Year 2 children are very fast!

The children will bring out water with them and will be encouraged to wear hats if it's hot.

Toilet facilities are available near reception via the path to the hall.

At the end of the races children will return to their classrooms with their teacher and the school gates will be closed ten minutes later.

Let the games begin!

The children will each compete in up to three races.
