Year 5 Visit to Life Expo, Romsey – Tuesday 3 July (5B) and Thursday 5 July (5K)

Dear Parents,

As part of our RE work, we have been invited to visit 'LIFE Expo', an exhibition hosted by local churches with active learning opportunities which have been matched to the RE syllabus. The exhibition is a 'hands on' interactive learning experience which tells of the life of Jesus, his Jewish roots, his teaching and miracles, and his death, burial and resurrection. LIFE Expo takes place at Lockerley Water Farm, Romsey and will be staffed by DBS checked volunteers from local churches. There is no charge for this trip as coach transport is provided by the event.

5B will leave school at 12:40pm on Tuesday 3 July and return at approximately 3.10pm. 5K will leave school at 9.45am on Thursday 5 July and return by lunchtime. School uniform should be worn as usual.

Please complete the permission form below and return it to school by Monday 2 July to enable your child to take part in this visit.

Yours sincerely
