

Friday 13<sup>th</sup> July 2018

Dear Parents

Year 6 children are currently working together to create a Mandala to celebrate the end of their time at Kings Worthy School. Local artist, Cat Hawkins, is leading this project and on Monday worked alongside the children to produce the design. The children all created individual designs and then one was chosen to paint on to a cable drum which will be displayed in the school grounds.

On Monday 16<sup>th</sup> July the children will work with Cat, in small groups, to paint the chosen design on to the cable drum. In addition, there will be other outdoor art activities throughout the day. The children are encouraged to bring in natural materials such as petals, leaves and shells to use in their mandala designs. As this is a creative and possibly messy day, the children may come in their own clothes. Please ensure these are suitable for being in the Woodland Walk, working on the ground and are weather appropriate. The children may wish to bring an old T-shirt or apron to wear whilst painting.

We'd like to thank Cat in advance for her enthusiasm and support for this project and to Mr Carr for sourcing another cable drum! We feel sure this will be a special activity that the children will thoroughly enjoy.

with best wishes

Claire Robson and Sam Ewins
