Dear Parents and Carers,

### Quiz Night

A massive thank you to Natalie for organising the PTFA quiz night, it was an amazing turnout with 13 teams attending and a huge £500 being raised for the school. Congratulations to the 'Unicorn Horns' who won best team name and had styled their team to match their name. A tragedy of the evening was my team being robbed of victory by being beaten by 'Joseph's team'. Congratulations to the winners – prepare to be beaten next year!

### Reading Volunteers

Thank you to everyone who has returned their reply slip in regards to becoming a volunteer. Please can all reply slips be returned to the office by Monday 21st October. We are however still looking for some people to help in our reading sessions between 09:05 and 09:30 in each class in a variety of year groups. If you would like to find out more, please come along to our volunteer briefing sessions on either Tuesday 22nd October or Thursday 24th October.

### Request for equipment

We are setting up a sensory circuits session at school and are looking for any donations of equipment. In particular we would like some exercise balls, trampettes, therabands and balance boards. You may have some of these hiding in sheds and garages which you no longer use. If they are still in good condition and you are happy to donate to the school, please bring to the school office. Thank you for your support.

### Parking

As previously mentioned in two newsletters this term, we are noticing an increasing number of cars being parked and left at the school drop off area both at the beginning and end of the school day. Please can you ensure that if you are dropping off in the morning that you do not use this area to park before then walking your children in to school. It should be for drop offs only. This week cars have been parked on the driveway meaning cars are unable to drive around and use it properly.

Unfortunately, if this continues we may have to close the driveway to parents to ensure the safety of children, pedestrians and to ensure that emergency vehicles can enter and exit the school site.

Thank you for your patience, co-operation and understanding in all of these areas.
