Dear Parents and Carers,

Happy 2nd week of Easter holidays!

Hello to everyone from the team at Kings Worthy. I hope that you are still enjoying this rather unusual Easter break and managing to get all those unwanted jobs that you've never got around to doing done. My cupboards have never looked tidier and I may even do some gardening this weekend (I hate gardening).

This week the children enjoyed a 'bring-a-bike' day on Thursday and have been using the grounds to practise their riding skills. Once more the rain has stayed away so we've been able to get outside as much as possible to enjoy the weather.

My thanks, as always, go out to my team who have been on duty this week providing the support for the children that we have in school.

Next week we return to our online learning and I have asked the teachers to upload the plans for the coming week today so that you are able to have a look before Monday morning comes around. Please send any photos or updates to the admin email account rather than emailing teachers directly.

As you may have heard, the lockdown will continue so we will provide the weekly learning tasks for you to do with the children. There is also always someone in the school office from 8.45am until 3.30pm so if you would like to email or call to ask any questions then please feel free to contact us.

We spent the afternoon in the Woodland Walk where the challenge was to create a boat out of natural materials. We tested and raced the boats down a drainpipe track. There were heats, semi-finals and a final which was won by Ky. We loved it!

Written by Oliver and Ky.

Mrs Gaunt and Mr Ewins have set us several Lego challenges which we've enthusiastically done. They've included making a bridge to cross a swamp and a zip wire to transport a Lego person more than a metre. The winner's prize each day has been a cup of tea or hot chocolate!
