Dear Parents and Carers,

4A Assembly

What an amazing way to end the school week last Friday as the children of 4A put on a wonderful class assembly. There was singing, dancing, acting and, most importantly, dozens of scientific facts weaved into their performance. Thank you to Miss Aldridge for putting together such a fabulous assembly.

Library

We are building a strong group of volunteers to help support the running of our library and would really like to gather even more. If you have any spare time, within the school day or after school until 4pm, please do speak to the office staff and provide your details and we will get in touch.

500 Word Story Competition

This week, BBC Radio 2 launched their annual 500 word story competition. Last year, the children wrote some fantastic stories across the whole school and it is our aim again to take part in the competition. Our launch assembly will be on Monday 27th January, which will then lead on to the children writing their own stories in class. We welcome the children to start thinking of their own ideas for their story ahead of our launch assembly and they are more than welcome to bring in any inspiration that may aid their writing, whether it be a picture or an object, when they begin their planning and writing in class.

Car Parking

Please could I ask once again for your consideration when parking in and around school, both at drop off and collection. Cars are being parked off around the corners of roads on Campion Way, sometimes blocking safe access in and out of these roads. Many of our children walk and they can't see properly to cross the road safely when cars are parked on junctions. You can, of course, use Eversley Park for parking as it has a path across to school.

Thank you for your support in this matter.

Running Superstar

Ethan S, from year 6, came 3rd in the under 11 Hampshire Cross Country Championships at the beginning of this year. Congratulations to Ethan – a fantastic performance.

Song of the week...

'Edelweiss'

From the Sound of Music.
