

Kings Worthy PTFA – Spring Newsletter

Hello from your PTFA Committee,

We have seen an incredibly busy start to the year with Cake Sales, the Christmas Fayre, Discos, and the Bags to School Collection!

All the money raised from these events will be contributing to many projects for our School including the future Playground Improvements. We also contribute every year for World Book Day Author Visits, the Pantomime, The Woodland Walk Developments, Year R Worthy 10 Scheme, Year 6 Leavers party and much more! Last year we were able to play a vital part in the funding of brand-new projectors in each class as well as the new lockers for KS2.

THANK YOU for all your support and commitment to these events, we absolutely could not do any of these fundraising events without you all! I would like to say a huge thank you for the incredible support from Mr Dodson, Mr Carr and all the staff at the school. We are so lucky to have you on board and look forward to the new improvements this year!

We have had some changes and said goodbye to Natalie Stroud as Co-Chair. Thank you, Natalie, for all your hard work and commitment to this very demanding role, I know you will help us out in the future.

A HUGE Thank you to Rachel Dawson and all the volunteers at the Christmas Fayre. As always it was a successful event.

In our AGM on 5th November, Victoria Richardson and Nicola Elliot both stepped down as Co-Treasurers, and I would like to thank Vicky and Nicky for all their hard work, commitment and knowledge over the last few years. I know you are both still very much involved in the PTFA and look forward to your continued support.

We have elected two new Co-Treasurers to the team, Kirsty Mole and Yolanda Jackson. So let's meet our new PTFA treasurers...

Yolanda Jackson – Co Treasurer

Hi, I'm mum to Safia who is in Year 1 and also Joshua who will be starting school in 2021. If I'm being honest, I was persuaded to become co-treasurer after a few too many Proseccos in the King Charles, and as Kirsty & I recently spent our Saturday night in Tesco's loading 3 trolleys with 430 Easter eggs I do question if I made the right decision.... However, I have been genuinely amazed at how much such a small group of people can achieve and the impact the PTFA can have on all areas of the school.

I am a chartered accountant and work as an Internal Auditor at the B&Q head office in Chandlers Ford. Outside of work and family life I like to escape to the netball court and I currently play with 3 teams in Basingstoke, Andover and Winchester.

I am looking forward to working with the fantastic PTFA team to raise lots of money, to help support this wonderful school and provide all our children with a happy and exciting setting to learn and grow.

Kirsty Mole – Co-Treasurer

Hi everyone, I'm Kirsty and very excited to be part of the lovely PTFA team. My twins James and Charlotte are in Year 1 and I grew up in Winchester, going to Henry Beaufort & Peter Symonds.

I've always worked in Retail, so have a keen eye to get the best deal. I currently work at B&Q Head Office in Chandlers Ford as a Category Manger. As I work part time and the children are now at school, I wanted to put my organisational and number skills to good use.

I decided to become part of the PTFA team firstly because I'm nosey and like to know what's going on! In reality I wanted to be involved in my children's early years and give something back to the school, children and staff.

Personally, the Christmas Fair is the most exciting and rewarding event I've helped out at so far. It's extremely heart-warming to see the children's faces as they enter the hall and independently spend their pocket money.

Kings Worthy School is a very special place. With the help of the PTFA we aim to continue fundraising whilst running fun events for the children and families of the school. I'm looking forward to supporting this great cause.

WELCOME YOLANDA AND KIRSTY AND THANK YOU FOR BEING A PART OF THE PTFA!
