

Year 3 – Week beginning 15th June 2020

Reading	<p>Daily Read - Read for at least twenty minutes each day.</p> <p>Reading Tasks - Complete one or more of the Reading Challenges on: https://authorfy.com/10minutechallenges/</p>															
Spelling	<p>Prefixes re- and mis- – Investigate adding re- and mis- to roots words and look at how they change the meaning. Use the list below. try – have a go! re-try – have another go/try again!</p> <table border="1" data-bbox="331 419 763 579"> <tr> <td>appear</td> <td>try</td> <td>remember</td> </tr> <tr> <td>build</td> <td>take</td> <td>dealt</td> </tr> <tr> <td>play</td> <td>behave</td> <td>hear</td> </tr> <tr> <td>do</td> <td>apply</td> <td>calculate</td> </tr> <tr> <td>turn</td> <td>take</td> <td>read</td> </tr> </table> <p>Spelling Tasks - Write sentences using the words above. Tomas misread the leaflet. Tomas read the leaflet.</p>	appear	try	remember	build	take	dealt	play	behave	hear	do	apply	calculate	turn	take	read
appear	try	remember														
build	take	dealt														
play	behave	hear														
do	apply	calculate														
turn	take	read														
Writing	<p>Letters – This week, we would like you to try the Letter unit (5 lessons) on Oak National Academy. This unit covers summarising, word meaning, as well as developing the children's understanding and use of subordinate clauses. It looks like a fun unit! This can be found on the following page below the Adventure story unit. https://classroom.thenational.academy/subjects-by-year/year-3/subjects/english</p> <p>Writing Task – By now, you should know who your teacher will be in September. Write them a letter. They would love to know all about you. Now this letter is very different from the one in the Oak Academy unit, but it can still contain many of the same features. Remember to include what you've been doing while you've been at home, your interests, your family and also what you love to do at school. I know your teachers will love to read all about you. Remember: Plan before you write!</p>															
Maths	<p>Mental Maths – Practise times tables and number bonds. Suggested resources include: Hit the Button and Loop cards on www.topmarks.co.uk and https://trockstars.com/</p> <p>Time - Complete the MyMaths lessons and then online homework tasks. Feel free to jump ahead if your child finds them too easy. There are also various apps and websites that can support the teaching of time including: http://www.primaryhomeworkhelp.co.uk/maths/measures.htm</p> <p>Problem solving Tasks – Complete the attached time task sheets. Answers also attached.</p>															
Curriculum Task	<p>British Values/SMSC – Find out about pollution. There has been a lot of talk recently about plastic waste.</p> <p>Topic Tasks - Complete one or more of the following tasks: Create a poster/animation, write a poem, create a piece of art, make a musical instrument using items found in nature and perform a song. Why not create a video or news report about plastic waste? You could even interview your family. So many ideas to try!</p>															

Work highlighted in **GREEN** – Most important tasks

Work highlighted in **YELLOW** – Additional tasks to complete if time allows or as an alternative.
