### Royal Academy of Art competition

Dear Parents and Carers

The Young Artists' Summer Show is back for 2021 and it has been brilliant to hear that so many children wish to take part again this year!

The Young Artists' Summer Show is a free, open submission exhibition for young artists aged 5 - 19 years studying in the UK. Each child can submit up to 3 pieces of artwork and this can be made using any medium (a word for the materials used to create the piece). It can be a painting, sculpture, photograph, installation, video, drawing, or a combination. There is no theme so artworks can be of any subject and it doesn't matter when it was created as long as the child was in the age bracket of 5-19 when they did it. All of the artworks are viewed and judged by a panel of artists and art professionals. There are two sets of judges, one for artworks made by primary students and one for secondary. When the judges make their selections, they choose which artworks will be shown online and which will be shown at the Royal Academy. Everyone who submits artworks will have the results by the end of May. Prizes are awarded each year for two inspiring artworks from each key stage, as chosen by the President of the Royal Academy.

Pieces of artwork need to be handed in/sent to me at school by **Monday 12<sup>th</sup> April** so that I have time to photograph them and upload them all onto the website. Every piece also needs to have a completed slip (below) which gives more detail about the artwork. I also need a signed consent form for every child who enters.

You can take a look at last year's winning entries on their website.

Any questions please don't hesitate to ask.

I look forward to seeing everyone's entries! Good luck!
