

Salut, Year 5!
Ça va?

Here are a few more ideas to help you practise your French!

Days and Months

Can you remember the days of the week from last week?

What do we need to remember when writing the days of the week in French?

Here are the Months of the Year:

- | | | |
|------------|------------|--------------|
| 1. janvier | 5. mai | 9. septembre |
| 2. février | 6. juin | 10. octobre |
| 3. mars | 7. juillet | 11. novembre |
| 4. avril | 8. août | 12. décembre |

If you have Internet access:

<https://youtu.be/dRpwJ9jtES4?t=20>

- Go back to find the months in the wordsearch.
- Pellmanism - Make this pair game to play with at least one other person. Write the French and English words on separate cards. Days and months. Grid attached to cut up, if required. You could use a different colour for each language. Turn all the cards upside down. Take it in turns to turn over two cards. If you find a pair, you keep it and have another go. If they aren't a pair, put them back where you picked them up from. The winner is the player with the most pairs at the end of the game.
- You could try any of the activities from last week with the new words

I would love to see any French tasks that you do!
Please send anything you would like me to look at via the school office! This could be a photo, video, picture, etc.

Au revoir!
