

Year 4 – week beginning 18th May

<p>Reading</p>	<ul style="list-style-type: none"> Keep reading for at least twenty minutes each day. Try reading a different genre this week – have you read any non-fiction recently? Any poetry? Complete the comprehension activity called <i>The UFO</i>. We have uploaded the text and the questions onto our Year 4 page (the text is at the end of the document). The answers have also been uploaded separately so that the children can see how they've done!
<p>Spelling</p>	<ul style="list-style-type: none"> SPaG mats On our Year 4 page we have uploaded 3 SpaG (spelling, punctuation and grammar) mats. The number of stars at the bottom indicate the level of difficulty (3 stars is trickier). Word wheel Complete the word wheel (link attached on the Year 4 page). Once you've completed this, if you'd like to make your own word wheel and send it in to us via the admin team (admin@kingsworthy.hants.sch.uk) then we'll have a go at solving it!
<p>Writing</p>	<p><u>Report task</u> This week we would like you to complete a piece of writing for us to include in your end of year report.</p> <ol style="list-style-type: none"> Put your uniform on, brush your hair, put a big smile on your face and ask someone in your home to take a picture of you. Using a page of A4, write your own comment for your school report. The end of this year has been a bit strange, so think back to earlier in the year. Use these questions to help you write your comments: <ul style="list-style-type: none"> What subjects have you enjoyed and why? What have you got better at? What was your favourite lesson and why did you enjoy it? Feel free to write your own ideas. It is important that you plan what you are going to write before you make a final copy. Ask an adult to send your picture with your comments to the school office by Friday.
<p>Maths</p>	<ul style="list-style-type: none"> White Rose lesson and activities Go to the Year 4 sections of the White Rose website: https://whiterosemaths.com/homelearning/year-4/ and complete the lessons and activities for Summer Term – Week 3 (w/c 4th May). MyMaths Complete the MyMaths tasks that have been set at www.mymaths.co.uk Times Tables Rockstars Well done to those of you who have been regularly logging on to TTRockstars - we can see how much some of you are improving with your fluency and speed!

Curriculum

Task

History & Art

- Research Roman roads
Thank you to Patrick's parents who kindly made this video about Roman Winchester: <https://youtu.be/96TR-Fawb20>. The A33 (which runs through Kings Worthy) was built by Romans. Look at the map of the UK that we have uploaded (or, even better, use an atlas at home). The Romans had different names for our towns, for example London was known as 'Lindum'. Modern town names ending in '-chester', '-caster' or '-cester' was once as Roman town (e.g. Win**chester**).
 1. Can you find/highlight the Roman towns on the map?
 2. On a new, blank map, write the Roman name for these towns in the correct location.
 3. Add in where you think the Romans built roads to link up these towns by following the following rules.
 - Roads are straight (or as straight as can be!)
 - Roads radiate out from London. Put these in first, to the nearest towns.
 - Roads link up each town.
 4. Compare your map to the Roman Britain map that we have uploaded. How are they similar? How are they different?
- Design a pop-up Roman landmark
Build a pop-up card inspired by Roman arenas (such as the Colosseum in Rome or the Arena in Verona). Examples and instructions can be found on our Year 4 page.
