

Year 3 – week beginning 18th May

Reading	<ul style="list-style-type: none"> Read for at least twenty minutes each day and choose an activity each day from the reading rainbow activities.
Handwriting	<ul style="list-style-type: none"> Practise your best handwriting using a pangram! A pangram is a sentence that contains every letter of the alphabet, such as: “The quick brown fox jumps over the lazy dog.” or “The five boxing wizards jump quickly.” or “The wizard quickly jinxed the gnomes before they vaporized.” You could even challenge yourself to come up with your own pangram!
Writing	<p>Write a book or film review!</p> <ul style="list-style-type: none"> Choose a film or book that you know well or have read/ watched recently and begin to think about it in detail. Make some key notes: <ul style="list-style-type: none"> -Write the title and author/ director. -Make a brief summary of what happened including who the main characters are and where it was set to give the reader an understanding of the story. -What did you like or dislike about it and why? -What were the best and worst bits and why were they good or bad? -Who do you think would enjoy it the most and why? -What could have made it better? Would you read or watch it again? Write up your notes into full sentences using some fantastic adjectives to describe what happens and some subordinating conjunctions to help explain why you think this way (because/ although/ however/ etc.). Use the BBC Bitesize daily lessons to explore different sessions English. https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-and-p4-lessons/1 Try some more 10 minute challenges on the Authorfy website https://authorfy.com/10minutechallenges/ – your choice as to which ones you do!
Maths	<ul style="list-style-type: none"> On the website there are 2 new arithmetic papers for this week. Write out the questions onto paper so that you can use your written methods (column addition & subtraction etc.) to complete them. You could even challenge yourself to complete them in less than 12 minutes each! Complete the daily maths sessions for Year 3 children on BBC bitesize https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-and-p4-lessons/ Try some of the challenges and games in the “maths activity pack” on the Year 3 page. Some of them will need to be printed but there are plenty you can try that only need a pencil and piece of paper.
Report Task	<p>This week we need you to do a few things to help us.</p> <ol style="list-style-type: none"> Put your uniform on, brush your hair, put a big smile on your face and ask someone in your home to take a picture of you. Using a page of A4 write your own comment for your school report. The end of this year has been a bit strange, so think back to earlier in the year. Use these questions to help you write your comments: <ul style="list-style-type: none"> -What subjects have you enjoyed and why? What have you got better at? What was your favourite lesson and why did you enjoy it? Feel free to write your own ideas. It would be a good idea to plan what you are going to write before you make a final copy. Ask an adult to send your picture and your comments into the school office by Friday.

**Curriculum
Task**

This week your challenge is to cook/ bake/ make something delicious and healthy that you have never made before!

- You could make a smoothie with some yummy fruit and vegetables.
- You could help out cooking a healthy balanced dinner with someone at home.
- You could try baking bread or help out with a barbeque.
- You could make a fruit salad or even make your own fruit lollies to enjoy in the sunshine!

Whatever you make, please try and send in some photos of your delicious and nutritious creations!
