LO: We are learning to plan an adventure story

Story Planning Mountain

Problem: What problems will your hero face as they attempt to rescue your other character?

Build up: Who is in trouble? How do they alert your hero? What is your hero doing when they get the call for help?

Resolution: How will your hero solve the problem and rescue your other character?

Opening: Tell me about the other main character in your story – where are they? What are they doing?

Ending: What happens to your hero and the character they rescued?
