Dear Parent and Carers

Girls' Football Final Update

The under 9's (year 4) and under 10's (year 5) had their girls Hampshire cup finals on Sunday. The under 9's won the cup and the under 10's came second. They all played so well! I was lucky enough to spot them on Meridian news last Friday night and then they were on again on Monday evening at 6pm. I am so proud of all the girls who took part in the finals from Kings Worthy – I received an in-depth match report from Grace and Sydney whilst on the bus to Harry Potter as they told me they were up against a superstar team in their final, which they unfortunately lost. Women's premier league football stars of the future in-waiting.

Hampshire Boys Football Semi-final

As we arrived, on a sunny day in Blackfield, we were nervous to start our semi-final. In the first ten minutes, we had good chances, but could not finish off our attacks. Then, as half time was approaching, Winston played a ball to George who slid it under the keeper. We were 1-0 up! Half time. 10 minutes into the second half Xavier played a lovely ball to Jamie who slotted it into the bottom corner. GOAL! About five minutes later, from a goal kick, Joe passed to Johnno who put a floating ball over the top to Jamie who provided the finish to go 3-0 up. At this stage, we were starting to create opportunities, which led Jamie to score his hattrick. The full-time whistle was blown. We had won it. Mr Potter and Mr Le Tissier and all of us were thrilled that we have now booked our place in the final.

Red nose day 2022

The children had lots of fun last week completing different activities with their classes. Thank you so much for all your support with buying **red noses** and donating money on our JustGiving page. We exceeded our target and raised an amazing £395 on our JustGiving page and £462.50 via ScoPay for red noses, totalling a fantastic £857.50!

Hares of Hampshire winners!

Huge congratulations to the following children, who won the Hares of Hampshire competition for their class and are having a section of their design painted onto our leverets. We can't wait to show you the finished articles! Watch this space!

KS1:

Lottie H - Hedgehogs

Arthur D - Rabbits

Aurelia B - 1H

Megan S - 1W

Anabelle W - 2S

Emily C - 2W

KS2:

Otilie P - 3D

Alma F - 3M

Chace M - 4S

Henry M - 4B

Naomi S - 5R

Indie I - 5LT

Florence H - 6C

Jamie B – 6K

Easter Holiday School Food

Winchester Basics Bank are inviting families with school-aged children (who live or attend a school in the Winchester city and surrounding areas, including Alresford) who feel they need some extra help over the school holidays to register for their Holiday Lunch Scheme. You do not need to be receiving Free School Meals to take advantage of this scheme; if you need a little extra help this year please apply. The scheme will provide food to cover 10 lunches per child.

Please be aware that the food supplied is designed to replace the hot meal and will be tinned/dried items; WBB can offer food suitable for most diets, but do not have food items suitable for packed meals. Please complete the form here: [EASTER HOLIDAY FOOD](#)

Poetry Slam

On Monday the children in Years 1 - 6 will be performing their poems that they have prepared at home in their classes. Please ensure that all children in those year groups come prepared with their poem ready to perform. We look forward to seeing everyone's performances and we will let you know next week which children have made it through to the final. Good luck.

Year 1 and 2 compete! What is Endball?

This week, Year 1 and 2 took part in Endball at Kings' School in Winchester. Like most staff here at Kings Worthy, no one had any idea what Endball was. Now we know! It was a fun, high energy ball game where the children needed to pass or throw a ball into an endzone. It was fairly similar to American football.

Our children took part with enthusiasm, drive and determination and even though it was their first time competing for the school, they used effective team work to score and win quite a few games. We were so impressed with all the children.

"I enjoyed learning a new game and it was fun to visit the big school." Freya Year 2

"We were there to win...no losing for us today! We worked as a team and scored lots of points. I loved Endball." Oliver Year 2

As PE lead for the school, I have been so impressed with how all of our children have represented our school from seated volleyball to football to Indoor athletics. We have had so many opportunities this term to take our children to various sporting events across Winchester.

The focus has been to open up different sports to all, especially those who don't get an opportunity to take part in clubs out of school. Thank you to Mr Watton and all of the staff for taking time out of their busy days to organise and lead these events. Our school is one of the few to have competed in most of the sports organised by Kings' school this term. The School Games Organisers have praised us for this. Thank you!
