

Note for parents: These words are for your child to practise reading and writing at home, please point to each word and encourage your child to read them. The **green** words are words which can be sounded out and then blended together. The words which are **red** are 'tricky' words which can not be sounded out, therefore if your child does not know that word, you can tell them what the word is. When your child is able to read all the words off by heart (i.e. without sounding them out each time) and write them, please put a note in your child's planner or tell us on the door and we will check them and give them the next set as appropriate.
