Dear Parents & Carers,

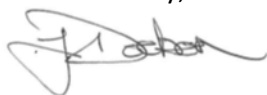

Extra - Curricular Activities

These are the clubs we are able to offer for the Summer term. All of the clubs are run by staff on a voluntary basis and I am very grateful to them for giving up their own time to provide extra learning opportunities for your children. Clubs will run for 9 weeks and will begin week commencing Monday 2nd May (Monday is a bank holiday so school will return on Tuesday 3rd May). Please note that clubs will not run during the last week full week of term, therefore the last day clubs will run is Friday 8th July.

In order to simplify our administration process, places for courses will now be requested via a Microsoft form (link in email). Places will be allocated at random if clubs are oversubscribed. For those clubs that are oversubscribed, we will create a waiting list and/or split the term into a 4- and 5-week course to allow more children to take part. You will be informed via email by Friday 29th April if your child has been allocated a place in their chosen club. Please take note of the invited year groups. It is important to recognise that there is a commitment involved when signing up for a club. If children are unable to make a particular session, please ensure you inform the office of the date/s. A register will be taken before each session. If the club is cancelled at short notice i.e. due to weather conditions, you will receive an e-mail from school. Consequently, it is **essential** that we have a mobile number or e-mail address to enable us to contact you. Please ensure you are subscribed to SCOpay communications. The collection point for clubs running after school hours will be from the front office.

Yours sincerely,
