

**Year 6 – week beginning 27<sup>th</sup> April**

<b>Reading</b>	<ul style="list-style-type: none"> <li>• Read for at least twenty minutes each day.</li> <li>• Choose an activity each day from the reading rainbow activities (week 4).</li> </ul>
<b>Grammar</b>	<ul style="list-style-type: none"> <li>• Follow this link: <a href="https://learnenglishkids.britishcouncil.org/grammar-practice">https://learnenglishkids.britishcouncil.org/grammar-practice</a> Click on the 'present continuous' and 'present perfect' cards. Read the information about each and play the games that go with it.</li> </ul>
<b>Writing</b>	<p>This week we will continue to explore 'The Lost Myth of Mathos.'</p> <ul style="list-style-type: none"> <li>• Log onto Purple Mash and click 'Serial Mash', click on 'Sapphires'.</li> <li>• Open the myth 'The Lost Myth of Mathos'.</li> <li>• Read and complete the activities for Chapters 3 and 4.</li> </ul> <p>In addition, follow this link to the BBC website <a href="https://www.bbc.co.uk/bitesize/dailylessons">https://www.bbc.co.uk/bitesize/dailylessons</a></p> <ul style="list-style-type: none"> <li>• There will be a daily lesson on English each day. Choose at least three lessons to take part in. Remember you have the activities above so you need to think about organising your time and selecting what tasks you will do when.</li> </ul>
<b>Maths</b>	<ul style="list-style-type: none"> <li>• Follow this link <a href="https://whiterosemaths.com/homelearning/year-6/">https://whiterosemaths.com/homelearning/year-6/</a> There are five lessons on angles in special quadrilaterals. Each lesson has a video to watch and then some questions to answer. You can self-assess your work by looking at the answers. Remember to look back at, and correct any errors you may have made.</li> <li>• Complete three lessons on the BBC website for this week <a href="https://www.bbc.co.uk/bitesize/dailylessons">https://www.bbc.co.uk/bitesize/dailylessons</a></li> <li>• Explore some games and investigations on <a href="https://nrich.maths.org/primary">https://nrich.maths.org/primary</a></li> </ul>
<b>Curriculum Tasks</b>	<ul style="list-style-type: none"> <li>• This week we will focus on Science and begin to look at the circulatory system.</li> <li>• Follow this link to find out about the name and main parts of the human circulatory system: <a href="https://www.bbc.co.uk/bitesize/topics/zwdr6yc">https://www.bbc.co.uk/bitesize/topics/zwdr6yc</a></li> <li>• Design a poster to that shows what the parts and functions of the system. Try to make it colourful, informative and fun!</li> <li>• Complete a session with Joe Wicks on YouTube one morning. Think about how your circulatory system is working during this time. How has your body changed?</li> </ul>
<b>Online resources</b>	<p>There are some fantastic online resources that have been set up for the beginning of the summer term. Have a look and take part in some online lessons.</p> <p><a href="https://www.thenational.academy/online-classroom">https://www.thenational.academy/online-classroom</a> <a href="https://www.bbc.co.uk/bitesize">https://www.bbc.co.uk/bitesize</a></p>
