

Salut, Year 6!
Ça va?

Here are a few ideas to keep you practising your French!

Can you remember any days of the week or months of the year?

| avril | octobre |
| mai | novembre |
| juin | décembre |

If you have Internet access:

- Take 2 pieces of paper or card and cut each into 10 equal parts.
- Write a different day of the week or month of the year on each part and the English on the back. Be creative, so that you will want to use them for revision.
- Test yourself by translating both ways and when you have done this, practise the spellings. Use playdoh, sand, squirty cream(!), etc, if you have them to make this more fun.
- Can you teach them to someone else? Can you say the one before / the one after.
- Ask someone to test you. Can you say, recognise and spell them in any order?
- Create a poster of the days of the weeks or months of the year. Illustrate what you might do on each day of the week or during each month. You don't need to be truthful! No English! No capital letters!

I would love to see what you do!

Please send anything you would like me to look at via the school office!

This could be a photo, video, picture, etc.

À bientôt!
