## English

We have several key texts this term:

- Hermelin the Detective Mouse
- Pigeon Impossible
- Horrible Science series
- The Promise

The children will write for a variety of genres including, a police report, sequel to a book, explanation text and a webpage which includes important information about healthy eating.

Our recommended reads will be on Google Classroom to support our topic learning this term.

## Maths

This term in maths we will be continuing our learning about decimals before moving onto money, time, shape, statistics, position and direction.

Our PE days are still on  
a Tuesday (outdoor)  
and Friday (indoor).

## Key Vocabulary

Knowing what the following words mean and say will really help with our topics this term.

### Saxons

runes

lyre

Anglos

shield

Alfred the Great

### Super Humans

digestion

respiratory

skeleton

muscle

stomach

bone

## Attendance

Our year group's current attendance is **97.2%**. Attendance continues to be important. Please make sure that your child is through the gates by 9:00am.

## Multiplication Tables Check

From the week beginning 3rd June, we have a two week window for the children in Year 4 to complete the MTC.

Information about this has been uploaded to Google Classroom, and if you have any further questions please contact your class teacher.

Please continue to support this learning at home through use of Times Table Rock Stars.

## Reading @ Home

Reading, at least four times per week, should continue to be written in children's reading diaries. These should be signed by an adult at home, and will be checked every week on a Friday by a school adult.

## PSHE

Our PSHE units of work this term focus on **growing up and changing** in line with the RSE curriculum. In advance of our PSHE days, we will share with you important information about what will be covered on these days.

Don't forget sunscreen and hats in warmer weather!
